

	M05AA01 - Interactive Apartment
Brief description	<p>Using the InteractiveApartmentStarter.eoz as a starting point, add some interactivity into the scene.</p> <p>Your program must include the following functionality:</p> <ul style="list-style-type: none"> • Three kitchen appliances when clicked swing open in a realistic manner. <ul style="list-style-type: none"> ◦ One of these must be the fridge which when opened activates the internal light which goes out after 5 seconds. • One of the living room lamps must illuminate when clicked. • Both ceiling fans rotate on a press of the Space bar. • Change the image that appears on the TV to something different. • Change the colour of the kitchen worktop so it is no longer green. <p>Try to keep your scene organised and use good naming conventions.</p>
Details of student output	This is an individual task.
Grading and weighting (% total marking for unit)	<p>100% of Apartment program (25% of Module 05 total)</p> <ul style="list-style-type: none"> • Kitchen appliances (20%) • Fridge light (25%) • Living room lamp (20%) • Ceiling fans (20%) • TV image (10%) • Kitchen worktop (5%)
Submission format	Save your .eoz file as YourName-M05-AA01 .
